Lab 6
Point A to Point B

Using the file that you were working on in class, attempt as many of the challenges below as time will permit.

Instructions:

- Add a link in each page's footer element to the provided Terms of Use page (note the relative URL).
- Repair the path to the CSS file, 'style.css' in the href attribute of the link element in the header of terms-of-use.html.
- Include an external link to the article found at https://www.tripsavvy.com/four-seasons-in-canada-1482200 in the footer of spring, winter, summer and fall pages. Include an appropriate title and rel attribute.
- Build a link in the footer of all pages that **points to** the section heading (h2) "Use of Personal Information" on the Privacy Policy page.
- Upload a zip archive of all your exercise files to Lab 6 on Blackboard.

Evaluation:

Lab is completed and submitted by the end of the day = complete (1%)

Labs are graded on a complete/incomplete basis and are each worth 1% of your final grade.
